LIVCO WATER COMPANY

IMPORTANT NOTICE REGARDING AN INCREASE IN WATER RATES

Livco Water Company filed an application with the Arizona Corporation Commission (ACC) for an approximate 52 percent increase in water revenues. After hearing and evaluating all the evidence, the ACC issued Decision No. 70308 on April 24, 2008, authorizing an approximate 33 percent (or \$6.28) increase for an average residential customer with a 5/8" meter who uses approximately 6,354 gallons of water per month. The exact increase in your monthly bill will vary depending on the customer class to which you belong, the amount of your monthly consumption and the size of your water meter. The following rates and charges will be effective for water services provided on and after May 1, 2008:
