DOCKETED BY *ne*

Dear Mr. Cordovana,

Thank you for your letter advising the AZ Corporation Commission of your perspective of why The Procedural Order dated 10/11/07 has not been complied with at this time.

It is our understanding that no agreement between Appaloosa Water Company and HP Investments has been made in regards to the Main Extension Agreement.

Our interpretation of your letter is that the MXA requirement in the decision has not and will not, be met. Please be aware that this compliance requirement will still remain outstanding until Appaloosa Water Company either complies with the original order to provide the Main Extension Agreement or obtains a Commission amendment to the original decision.

If you have any additional questions, concerns or clarifications please contact me at (602) 542-0847.

Sincerely,

Carmel Hood
