Re: Motion to Intervene: Request to Revoke Requirements to Install New Water Source and WIFA Financing Application for Tonto Village Water Co., Inc. Docket No. W-01580A-04-0672

As a 11 year property owner and a customer of Tonto village Water Co., I hereby request the right to formally intervene in the above referenced case that was docketed on December 27, 2007.

I am gravely concerned over the service charges, the amount and quality of the water delivered, and the level of resources available to me and our community. Our community needs a new well installed to provide adequate resources to our homes.

I have notified all the parties (see attached service list) including the Company of this intervention request. Please notify me at once if there are any concerns or questions related to this request and of your date of docketing the 13 copies of this letter (see attached return envelope) and of the date of granting this request.

Cordially,

Jerry Lewinson
