PROCEDURAL ORDER

BY THE COMMISSION:

18 On August 25, 2005, the Arizona Corporation Commission ("Commission") issued Decision
 19 No. 68093 in this docket, which granted a modified and amended Certificate of Environmental
 20 Compatibility ("CEC") issued by the Arizona Power Plant and Transmission Line Siting Committee
 21 to the Salt River Project Agricultural Improvement and Power District ("SRP" or "Applicant"). On
 22 November 14, 2005, the Commission issued Decision No. 68291 in this docket, which amended
 23 Decision No. 68093 to expand the corridor width of the CEC.

24 On August 11, 2006, SRP filed a request in this docket pursuant to Condition No. 23 of the
 25 CEC granted in Decision No. 68093 for Commission approval to construct a 230 kV circuit on the
 26 500 kV structures to be built pursuant to that CEC in the certificated route south of Casa Grande.
 27 Specifically, SRP requested authority to add a 230 kV circuit to the 500 kV structures at a point on
 28

1 Cornman Road, near the intersection with Thornton Road, and continuing east along the route to the
2 future Pinal South Substation. SRP's request stated that it requires such approval in order to allow it
3 to move forward with obtaining the appropriate line siting approvals for a planned new project which
4 would include the 230 kV circuit, a 230 kV line from Desert Basin to Pinal South ("Desert Basin 230
5 kV Project").

6 In Decision No. 69183 (December 8, 2006), the Commission found that SRP had met the
7 requirements of Condition No. 23 of the CEC, and also ordered that SRP shall not commence
8 construction of any portion of the proposed Desert Basin to Pinal South 230 kV line on common 500
9 kV structures with the Santa Rosa to Pinal South 500 kV line until such time that a CEC has been
10 granted for the planned Desert Basin 230 kV Project.

11 On July 31, 2007, SRP filed compliance items pertaining to Condition No. 21 of the CEC.

12 On April 4, 2008, SRP filed a Motion to Amend Decision No. 68093 to Expand Permitted
13 Corridor Width West of the Pinal South Substation and Request for Expedited Consideration
14 ("Motion").

15 On April 10, 2008, Pinal County filed a Request to Intervene ("Request").

16 On April 18, 2008, SRP filed a Supplement to its Motion.

17 No objections have been received to Pinal County's Request, and accordingly, it should be
18 granted.

19 IT IS THEREFORE ORDERED that Pinal County is hereby granted intervention.

20 IT IS FURTHER ORDERED that the Ex Parte Rule (A.A.C. R14-3-113-Unauthorized
21 Communications) continues to apply to this proceeding as the matter is set for public hearing.

22 IT IS FURTHER ORDERED that all parties must comply with Rules 31 and 38 of the Rules
23 of the Arizona Supreme Court and A.R.S. § 40-243 with respect to practice of law and admission *pro*
24 *hac vice*.

25 IT IS FURTHER ORDERED that withdrawal of representation must be made in compliance
26 with A.A.C. R14-3-104(E) and Rule 1.16 of the Rules of Professional Conduct (under Rule 42 of the
27 Rules of Arizona Supreme Court). Representation before the Commission includes the obligation to
28 appear at all hearings and procedural conferences, as well as all Open Meetings for which the matter

1 is scheduled for discussion, unless counsel has previously been granted permission to withdraw by
2 the Administrative Law Judge or the Commission.
