RE: APPLICATION OF JOHNSON UTILITIES, INC. FOR AN EXTENSION OF
CERTIFICATE OF CONVENIENCE AND NECESSITY. DOCKET NO. WS-02987A-
07-0487.

Dear Mr. Hodges:

Pursuant to Section R14-2-103.B.7 of the Arizona Administrative Code, Staff issued an Insufficiency Letter dated September 21, 2007, informing you that your application received on August 21, 2007, did not meet the sufficiency requirements as outlined in Arizona Administrative Code R14-2-402. Subsequent to this letter, Staff contacted your office on more than one occasion to ascertain the deficiencies identified in the above referenced letter have not been addressed. Because you have failed to correct the deficiencies in your application over an extended grace period, Staff will request an administrative closure of this docket if an effective response is not received by May 9, 2008.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0857 or Dorothy Hains at 602-542-7274.

Sincerely,

Alexander Ihade Igwe, CPA
