The City of Tucson ("City"), by and through the undersigned attorney, applies for intervention in the about docket pursuant to Arizona Corporation Commission Rule 14-3-105.

The above encaptioned docket was opened to investigate the use of renewable energy sources as a part of the electric deregulation process. The City is an intervenor in Docket number RE-0000C-94-0165, the electric deregulation docket and has been an active participant in this process. Further, the City has supported the efforts to increase the use of solar and other renewable energy sources for many years. Given the City's extensive involvement in the solar energy issue and in the electric deregulation process in general, the City desires to examine the material
