**RE: Mohawk Utility Company – Application for an Extension of a Certificate of Convenience and Necessity (“CC& N”) Docket No. W-02341A-06-0040**

Dear Mr. Rockwell:

On April 15, 2008, Arizona Corporation Commission, Utilities Division (“Staff”) informed, Mohawk Utility (“Company”) that it is imperative for the Company to submit its annual report which was past due as of April 15, 2008. The application for the extension of a CC&N was filed on March 16, 2006, causing the filing to be over two years old. In order to update material facts on the application Staff needs to view the annual report.

To date Staff has not received the annual report or any further correspondence from the Company. Therefore, if no response to this letter is filed in Docket Control by July 15, 2008, Staff will request that this docket be administratively closed. Mohawk Utility Company would, of course, be free to file another, more timely application.

Yours truly,

Kiana M. Sears  
Executive Consultant I
