Re: Proposed Tariff Revisions; SBC LD Application to Discontinue Local Exchange Business Voice Service to Remaining Customers in Arizona; Docket No. T-03346A-08-0038

Dear Sir/Madam:

On January 18, 2008, SBC Long Distance, LLC ("SBC LD") filed its Application pursuant to R14-2-1107.A to discontinue the provision of local exchange business voice service to its few remaining customers in Arizona. SBC LD, however, will continue to use its local exchange authority to provide tariffed business data services. It will also continue to offer intrastate and interstate long distance service to Arizona customers.

Staff has requested that SBC LD file with Docket Control the changes it proposes to file to its tariff once the Commission has approved the Application. In response to that request, attached are the original and 13 copies are the revised pages to SBC LD's Local Exchange Services Tariff which will be filed following Commission approval of the Application.

I have also included an extra copy of this filing. Please date stamp this document and return it to Mary Anne Allen in the enclosed envelope.

If you have any questions, please call me at 775-333-3991.

Sincerely,

*Janice L. Ono*
