Investigator's Comments and Disposition:

I told customer that his opinion would be docketed and made a permanent record in the Company's application and will be brought to the attention of the Commissioners. His comments will also be considered by the Commissioners before rendering a decision on the Company's application. Customer was thankful for the ACC explanation of how his private well for his consumption only will probably not be impacted. Customer did mention that he would be attending the Public Comment meeting that will be held at the Windemere Hotel located in Sierra Vista, AZ.
