IN THE MATTER OF THE APPLICATION OF
BALTERRA SEWER CORPORATION FOR A
CERTIFICATE OF CONVENIENCE AND
NECESSITY TO PROVIDE WASTEWATER
SERVICE IN MARICOPA COUNTY, ARIZONA.

DOCKET NO. SW-20403A-05-0586

PROCEDURAL ORDER

BY THE COMMISSION:

On June 5, 2006, the Arizona Corporation Commission ("Commission") issued Decision No. 68742 which approved the application of Balterra Sewer Corporation ("Company" or "Applicant")¹ for a Certificate of Convenience and Necessity ("Certificate") to provide public wastewater utility service in the vicinity of 411th Avenue and Camelback Road in Maricopa County, Arizona. The Commission's approval was conditional upon the Company filing copies of the following documents in a timely fashion:

- A copy of the Maricopa Association of Governments' ("MAG") approved Section 208 Plan ("208 Plan") Amendment by April 30, 2007;
- A copy of an Approval to Construct issued by the Maricopa County Environmental Services Department ("MCESD") for the proposed Phase I wastewater treatment plant by June 30, 2007;
- A copy of an Approval of Construction issued by MCESD for the proposed Phase I wastewater treatment plant by March 31, 2008; and
- A copy of an Aquifer Protection Permit ("APP") and/or Arizona Pollutant Discharge Elimination System ("AZPDES") permit issued by the Arizona Department of Environmental Quality ("ADEQ") by October 31, 2007.

On April 9, 2007, the Company filed a Motion to Extend Time ("Motion") for filing the above-referenced documents as follows:

- Approval of the MAG 208 Plan to August 31, 2007;

¹ The Company is now a subsidiary of Global Water Resources, L.L.C.

- Approval to Construct from June 30, 2007 to October 30, 2007;
- Approval of Construction from March 31, 2008 to September 30, 2009; and
- ADEQ approved APP and/or AZPDES permit from October 31, 2007 to November 30, 2008.

The Company's Motion described how recent changes by ADEQ in the requirements for it to forward a Company's 208 Plan to the Environmental Protection Agency ("EPA") of the United States for the EPA's approval of the 208 Plan under the Clean Water Act ("CWA") have resulted in delays in the processing of the Company's request for approval by the EPA. The Company anticipated the EPA review of its 208 Plan would be concluded by the end of June 2007, and once the EPA's approval was given, would proceed with securing the other documentation in a timely fashion as requested.

On April 30, 2007, Staff filed its response recommending approval of the Company's Motion indicating that the delay experienced by the Company had been verified and the requested extensions were reasonable under the circumstances.

On May 21, 2007, by Procedural Order the Motion to Extend Time by Balterra Sewer Corporation was granted as requested.

On May 28, 2008, the Company filed a Motion for Substitution of Counsel to replace its current counsel of record. Substituting counsel are Roshka DeWulf & Patten, PLC and current counsel of record or withdrawing counsel are Fennemore Craig.

Accordingly, the Motion for Substitution of Counsel by the Company should be granted.

IT IS THEREFORE ORDERED that the Motion for Substitution of Counsel by Balterra Sewer Corporation is hereby granted.

DATED this 20th day of June, 2008.
