"18. On May 22, 2008, the Commission's Utilities Division ('Staff') filed a memorandum in response to the Company's Motion requesting a 90-day extension of time to file a copy of the AOC for the storage tank project. Staff states that it contacted the Company's interim manger to verify the request and to make sure that 90 days would be sufficient. After discussion, it was determined that the Company would need additional time to comply and a new date of December 31, 2008, was requested. Therefore, Staff recommended approval of the Company's Motion until December 31, 2008.

19. The Company's Motion, as amended by the Company and consistent with Staff's recommendation, was granted by the Administrative Law Judge assigned to this matter by a Procedural Order filed in Docket Nos. W-02494A-06-0561 and W-02494A-06-0562 on June 2, 2008 ('June 2nd Procedural Order')."
