Dear Ms Hood:

In your discussions with Don Schnepf at the Company, you requested the he have the ADEQ ATC and AOC for the Combs School Transmission Line docketed in the Decision No. 64062 docket. We are doing that, and also docketing it in Docket No. W-02234A-07-0371, Decision No. 70207 as required by that Decision. The ADWR Certificate of Assured Water Supply for the residential development as required by Decision No. 70207 is not yet available, and is not due until March 20, 2011.

In the event you have any questions regarding these matters, please do not hesitate to contact the undersigned.
