DOCKETED

JUL 15 2008

DOCKETED BY 

**BEFORE THE ARIZONA CORPORATION COMMISSION**

8 IN THE MATTER OF THE  
9 APPLICATION OF FAR WEST WATER  
10 & SEWER COMPANY, AN ARIZONA  
11 CORPORATION, FOR A  
12 DETERMINATION OF THE FAIR  
13 VALUE OF ITS SEWER UTILITY  
14 PLANT AND PROPERTY AND FOR  
15 INCREASES IN ITS RATES AND  
16 CHARGES FOR SEWER UTILITY  
17 SERVICE BASED THEREON.

DOCKET NO: WS-03478A-05-0801

**FAR WEST WATER & SEWER  
COMPANY'S SECOND REQUEST FOR  
EXTENSION OF DEADLINE TO FILE  
RATE CASE**

**(Expedited Action Requested)**

14 In Decision No. 69335 (February 20, 2007), the Arizona Corporation Commission  
15 ordered Far West Water and Sewer Company to file a rate case for its Sewer Division by  
16 April 30, 2008. On February 28, 2008, the Company filed a Request for Extension of  
17 Deadline to File Rate Case. In the Procedural Order dated March 25, 2008, the  
18 Commission granted the Company's request for an extension of time to file the rate case  
19 for its Sewer Division to July 31, 2008 to allow Far West additional time to close out its  
20 books for calendar year 2007 and to prepare a rate application. By this motion, the  
21 Company seeks to further that deadline by an additional 29 days such that the rate  
22 application would be filed no later than August 29, 2008.

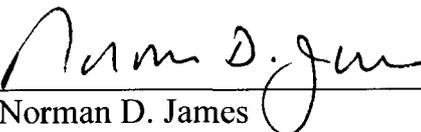

23 The Company has obtained financing and is constructing more than \$17 million of  
24 wastewater utility plant additions and other infrastructure improvements necessary to  
25 comply with recent Consent Orders between the Company and ADEQ. See Decision No.  
26

1 69950 (October 30, 2007). The Company has also closed out its 2007 books, as  
2 contemplated in the March 2007 procedural order, and has made significant progress on  
3 preparing its rate application. However, given the complexity of the Company's sewer-  
4 system improvements and the impact on its rate application, the Company will be unable  
5 to file a complete application by July 31. Accordingly, the Company requests a brief  
6 extension of 29 days.

7 The additional 29 days requested herein will allow the Company to ensure that its  
8 rate application meets all of the Commission's filing requirements. This is of benefit to  
9 the Commission, the Company, and any other parties to the rate case. No harm will come  
10 to ratepayers as a result of this extension. In fact, given the likelihood of significant rate  
11 increases, it is Far West that is harmed as a result of the additional filing delay.  
12 Nevertheless, the Company seeks this short extension to complete its filing of a rate case  
13 as ordered in Decision No. 69335 and respectfully suggests that such extension is in the  
14 public interest as it is intended solely to ensure the adequacy of the Company's rate filing.

15 RESPECTFULLY SUBMITTED this 15th day of July, 2008.
