RE: Antelope Lakes Sewer, LLC-Application for Certificate of Convenience and Necessity (CC&N) Docket #SW-20510A-07-0062, Withdraw of application

Dear Ms. Mitchell,

At this time Antelope Lakes Sewer, LLC wishes to withdraw its application for Certificate of Convenience and Necessity (CC&N) Docket #SW-20510A-07-0062

The Staff has made it clear that they do not intend to grant our request for hook-up fees to fund expenses to install this private sewer system. Since we are not a developer, financially we are not able to provide a free sewer plant to the other property owners and potential competitors. Additionally, land and home sales have dropped considerably in the area making it even more difficult to create a viable private sewer company.

If you have any questions please call 928/778-2600 or email craiggarvin@leviegroupp.com.

Sincerely,

Craig W. Garvin
