RE: Johnson Utilities, L.L.C.: Compliance with Decision No. 68961
ACC Docket No. WS-02987A-05-0695
RE: Unified (Aquifer Protection) Water Quality Permit for the Copper Basin Wastewater Treatment Facility

Dear Mr. Johnson:

Pursuant to the above mentioned decision, Johnson Utilities hereby requests for an extension of time to file the Unified (Aquifer Protection) Water Quality Permit ("APP) for the Copper Basin Wastewater Treatment Facility that is currently due this month. Extension requests were made and granted in Decisions 68235 & 68237 extending the due date to October 25th, 2009. As stated in the previous extensions, Johnson Utilities had to obtain a judgment from the courts to obtain clear title on the plant site and continue forward with the APP process. Johnson Utilities hereby request an extension of the compliance date to the date granted in the prior two Decisions to October 25, 2009. A current request for service letter from the developer will be filed with this request for your consideration in this extension as soon as we receive it.

If you need any additional information in regards to this compliance items, please do not hesitate to contact me. Thank you for your time and consideration in this matter.

Sincerely,

Brian P Tompsett
