RE: IN THE MATTER OF THE APPLICATION OF LITCHFIELD PARK SERVICE COMPANY FOR A NEW CODE OF PRACTICE TARIFF (DOCKET NO. SW-01428A-08-0442)

On August 25, 2008, Litchfield Park Service Company ("Company") filed for a New Code of Practice Tariff. The proposed Tariff sets forth certain waste limitations and pretreatment standards that apply based on the class of commercial/industrial customer served by the Company's wastewater treatment facilities located in Maricopa County, Arizona. Customer classes include dental offices, dry cleaners, food service establishments, photo imaging operations, RV parks, and pretreatment for industrial wastes. The new tariff, if approved, will govern the type and quality of waste discharged into the Company's wastewater collection system and treated at its wastewater treatment facilities.

Staff needs additional time to complete its review of the proposed tariff and recommends that the filing be suspended for eighty four (84) days.
