PUBLIC NOTICE OF HEARING ON THE RATE AND FINANCING APPLICATIONS OF
YARNELL WATER IMPROVEMENT ASSOCIATION, INC
Docket Nos. W-02255A-07-0570 and W-02255A-08-0355

On October 5, 2007, and July 14, 2008, respectively, Yarnell Water Improvement Association, Inc. ("Company") filed applications with the Arizona Corporation Commission for an increase in its rates and charges and for financing approval. Copies of the Company's applications and proposed tariffs are available at its office and the Commission's offices for public inspection during regular business hours.

The Commission will hold a public hearing on these matters beginning **October 2, 2008, at 10:00 a.m.** at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comments will be taken at the beginning of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission no later than **September 15, 2008**. The motion to intervene must be sent to the Company or its counsel and to all parties of record, and shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case. You will not receive any further notice of this proceeding unless you request it.

If you have any questions about this application, or want further information on intervention, you may contact the Consumer Services Section of the Commission at 602-542-4251 or 1-800-222-7000.

The commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Linda Hogan at LHogan@azcc.gov, voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
