Nature of Complaint:

Docket No. L00000HH-08-0422-00141

9/9

Caller requests that his opinions regarding the linesiting be docketed and reviewed by staff. He believes that past approvals for facility construction in his area have not lived up to the promises to be environmentally friendly. He believes it would be cleaner and more beneficial to create 1 big nuclear plant instead of these individual power sources. He believes there now will be three power stations in his area if approval is given.
