RE: Late-Filed Response of Baldwin County Internet/DSSI Service, L.L.C. to Staff's Late Filed Exhibit in **Docket No. T-20544A-07-0456**

On September 10, 2008, Staff late-filed its Exhibit regarding acceptable language for Individual Case Base (ICB) pricing of certain services. BCI has amended its Tariff to accommodate this provision. Attached to this letter is BCI's Revised Tariff Page 32 which now includes ICB pricing. BCI requests that this Late-Filed Response be accepted by the Commission as an aid to determining the merits of its Application for a CC&N.

Please find four (4) copies of this document, as required by Arizona law and rules. Notice to parties of record is also being mailed on this date.

Any questions regarding this filing may be directed to my attention at 214-762-7576, email at [mike.giles@att.net](mailto:mike.giles@att.net), or physical address, 3213 Gillespie Rd., McKinney, TX 75070. Thank you for your assistance in this matter.

Sincerely,

5 Rates and Charges

5.1 Due to the complex and variable nature of the services it provides, all products and services are priced based upon standard installations. Any unusual installations or circumstances not contemplated in the rates below would result in Special Construction charges or ICB rates which would be established with mutual agreement from the customer, based on the cost to provide the service.

5.2 Rates for Specific Services. Note: all services are highly competitive.

	<u>Description</u>	<u>NRC (Non-recurring Charge)</u>	<u>Maximum Monthly Rate</u>
5.2.1	DS0	Not Currently Available	-----
5.2.2	Metro-Ethernet Transport, DS1/T1 and DS3	\$2,500	\$3,500 per mile

5.3 Individual Case Basis (“ICB”) Pricing

At the option of the company, service may be offered on an Individual Case Basis (“ICB”) to meet the specialized needs of a customer. Arrangements will be developed on an ICB in response to a special request from a customer or prospective customer for a service not generally offered under this tariff. Rates quoted in response to such a request may be different than those specified in this tariff. ICB rates will be offered to the customer in writing and on a nondiscriminatory basis.

5.4 Other Services

Other services may be provided, depending on technical, financial, and logistical availability, based on the cost to provide the service in a competitive environment. The Company will work with its customers to provide the service requested at a mutually agreeable rate.
