**BEFORE THE ARIZONA CORPORATION COMMISSION**

7 IN THE MATTER OF THE APPLICATION  
 8 OF CHAPARRAL CITY WATER  
 9 COMPANY, INC., AN ARIZONA  
 10 CORPORATION, FOR A  
 11 DETERMINATION OF THE FAIR VALUE  
 12 OF ITS UTILITY PLANT AND  
 13 PROPERTY AND FOR INCREASES IN  
 14 ITS RATES AND CHARGES FOR  
 15 UTILITY SERVICE BASED THEREON.

DOCKET NO: W-02113A-07-0551

**SECOND REQUEST FOR  
PROCEDURAL CONFERENCE**

**(EXPEDITED ACTION REQUESTED)**

13 Chaparral City Water Company, Inc. ("the Company") hereby submits this Request  
 14 for a Procedural Conference in the above-referenced matter. This is the Company's  
 15 second such request. A previous request was filed on September 12, 2008; however, no  
 16 action has been taken on that request, or on the Company's motion for interim rate relief.

17 The Company's request for interim rate relief was filed on September 8, 2008,  
 18 along with supporting testimony and schedules. On September 23, 2008, Staff and RUCO  
 19 filed responses to the Company's motion, and on September 30, 2008, the Company filed  
 20 a reply in support of its request for interim rate relief. As discussed in detail in the  
 21 Company's motion and supporting testimony, the Company needs interim rate relief to  
 22 prevent the continued erosion of the Company's financial condition, a condition that is  
 23 worsening due to the significant delays the Company has experienced in obtaining rate  
 24 relief.

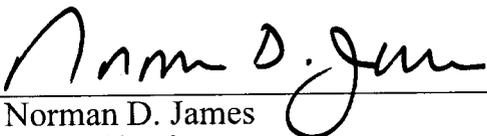

25 The Company requested that a Procedural Conference be scheduled so any  
 26 necessary procedural dates could be set, including the scheduling of a hearing at the

1 earliest possible time. The Company is not insensitive to the Commission's heavy  
2 workload. However, continued inaction by the agency will result in the continued  
3 deterioration of the Company's financial condition, threatening its ability to provide water  
4 utility service. Moreover, the filing of direct testimony by the Staff and RUCO should  
5 eliminate the need for any protracted hearing or other proceedings by providing evidence  
6 regarding whether the Company's interim rates are reasonable.

7 As a consequence, the Company again requests the scheduling of a Procedural  
8 Conference. In the alternative, the Company would not oppose the Commission  
9 scheduling a hearing on this matter without first holding a Procedural Conference. Or,  
10 given the clear legal basis for interim rates in this case, the Commission could simply  
11 authorize the Company's request for interim rate relief.

12 Respectfully submitted this 2nd day of October, 2008.
