SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (CONT'D.)

3.5 Miscellaneous Rates and Charges

3.5.1 Bill Statement Fee

(T)

In order to partially offset increased expenses associated with billing calls via local exchange carriers, an undiscountable bill statement fee will apply each billing period in which local or long distance collect calls are billed through a Customer's local exchange carrier. This fee will be charged only once per billing period regardless of the number of calls. The fee will not apply in any billing period in which no collect calls are billed via the Customer's local exchange carrier. This fee does not apply to prepaid services paid for by commercial credit card, check, money order or wire, or for services billed directly to the Customer by the Company.

(T)

3.5.2 Voice Verification Service

Voice verification Service is an optional service that provides validation of the inmate's identity through voice verification technology for purposes of improved security and reduced potential of fraud and Customer harassment by inmates. This charge applies to automated calls placed by inmates of correctional facilities when such calls are provided through the Company's own processing equipment. Where Voice Verification Service is requested by correctional facilities, this charge applies in addition to all applicable institutional rates and charges as specified in this tariff.
