IN THE MATTER OF THE APPLICATION OF
SUNRISE WATER COMPANY FOR A
DETERMINATION OF THE CURRENT FAIR
VALUE OF ITS UTILITY PROPERTY AND FOR
AN INCREASE IN ITS WATER RATES AND
CHARGES.

PROCEDURAL ORDER

BY THE COMMISSION:

On August 1, 2008, Sunrise Water Company ("Sunrise" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a rate increase.

On September 2, 2008, Staff filed a letter indicating the Company's rate application was sufficient. Although the letter did not state the class of the utility pursuant to A.A.C. R14-2-103, based on the revenues set forth in the application Sunrise is classified and as a Class B utility.

On September 8, 2008, a Rate Case Procedural Order was issued which set a hearing date and established other timeframes and deadlines. The Procedural Order also directed Sunrise to mail to customers and publish a Notice of the hearing

On October 7, 2008, Sunrise filed a Motion to Revise Customer Notice. In its Motion, Sunrise requests that the first paragraph of the Customer Notice should be revised to reflect its witness' testimony and the Company's filed Schedules with respect to the average bill impact of the requested rate increase.

IT IS THEREFORE ORDERED that the first paragraph of the Customer Notice in the September 8, 2008, Procedural Order shall be revised to read as follows:

On August 1, 2008, Sunrise Water Company ("Sunrise" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for a permanent base rate revenue increase of approximately \$285,932, or 22 percent over current revenues. If the Company's proposal were to be adopted, a single-family residential customer with a 3/4 inch meter, and average monthly usage of 17,782 gallons, would experience a bill increase from \$62.68 to \$73.86 (17.84 percent). For a residential customer with a 1 inch meter, and average monthly usage of 26,737 gallons, the monthly bill would increase from \$92.70 to \$111.41 (20.18 percent).

1 The actual percentage rate change for individual customers would vary depending
upon the type and quantity of service provided.”

2 IT IS FURTHER ORDERED that in all other respects the September 8, 2008 Rate Case
3 Procedural Order shall remain in full force and effect.

4 IT IS FURTHER ORDERED that the Administrative Law Judge may rescind, alter, amend,
5 or waive any portion of this Procedural Order either by subsequent Procedural Order or by ruling at
6 hearing.
