Commissioner Mayes:

This letter is in reference to the pending water rate increase that is before the Corporation Commission for the Groom Creek Water User's Association on the above mentioned Docket. I am sure you are familiar with this project. I, as well as the majority of homeowners in the Groom Creek area are in support of the rate increase that will fund the project, in order to upgrade the waterline to today's standard.

Sincerely

James and Nancy Sharpe

Groom Creek Water Delivery System Upgrade Project

Dear Commissioner Mayes:

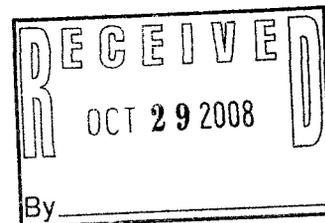

As a member of the Groom Creek Water Users Association I am in favor of the project and have no objection to the new base rate of \$50 per month. I understand that this rate is necessary in order to secure the funding to install a new system.

Thank you for your support.
