Groom Creek Water Delivery System Upgrade Project

DOCKETED BY *mm*

Dear Commissioner Mayes:

NOT

As a member of the Groom Creek Water Users Association I am in favor of the project and have no objection to the new base rate of \$50 per month. I understand that this rate is necessary in order to secure the funding to install a new system.

Thank you for your support.

*Commissioner Mayes,*

*I am a member of the Groom Creek Water Users Association but am NOT in favor of the \$50. base rate. I am in favor of doing the project in a phased implementation along with a phased increase in base rate.*

*It is my belief that the current Board is using scare tactics as a way to push this project through in its entirety and is not looking at any other opportunities or timing of the project.*

*Regards,*

*Shen Mera*
