Subject: Increase in water fees and new pipeline

Ms. Mayes

We totally disagree with the Groom Creek Water Board's decision to replace all of the water pipes in the Groom Creek area of Prescott, Az. We live in a newer section of Groom Creek and our water pipes are just fine. We also disagree with their water rate increase decision. The Groom Creek Water Users Association has always had plenty of money in CD accounts.

Thank you for your time,
Donald and Geraldine Oller
