Subject: Docket #W-01865A-07-0385 Groom Creek Water System Upgrade Project
W-01865A07-0384

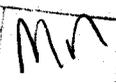

Hi Chairman Gleason,

I am writing this email in support of the increase of the base rate for the Groom Creek Water Users Association to \$50. I have been a member of this association since 1994 and believe this rate is necessary in order to secure funding and install a new water system. I believe this is absolutely critical for the health and well being of Groom Creek.

Thank you for your support.
