My name is Eileen C. Dalton and I am a widowed senior in my 80s. My husband and I purchased this lot in the 1970s. We chose this area because of the beauty and peaceful serenity. This has changed radically as some homeowners attempt to improve something that needs no improvement at an extremely high cost, that some of us can ill afford.

My suggestion is to focus on our streets, which are rapidly deteriorating. I believe in necessity before appearance, therefore I vote no on the underground project.
