Groom Creek Water Delivery System Upgrade Project

Dear Commissioner Mayes:

As a member of the Groom Creek Water Users Association I am in favor of the project and have no objection to the new base rate of \$50 per month. I understand that this rate is necessary in order to secure the funding to install a new system.

Thank you for your support.

I think we need some firm quotes from piping companies on this project before we implement this monthly increase

or

Possibly a refund or reduction in amount to home owners if the project can be completed under the estimated projected cost of \$50 month.
