WITNESS SUMMARY

Ken Abrahams

Mr. Abrahams is Executive Vice President with Diamond Ventures, Inc., which is the owner and master developer of the Saddleback Heights master-planned community. His academic credentials include a B.S. in Landscape Architecture and an M.S. in Renewable Natural Resource Planning. Mr. Abrahams has been employed by Diamond Ventures since 1989, and has substantial experience in the planning and development of master-planned communities throughout Arizona in environmentally sensitive areas.

Mr. Abrahams will provide testimony describing (i) the history of the Saddleback Heights project, (ii) the region and area in which the Saddleback Heights acreage is located, (iii) the uniqueness of the Saddleback Heights acreage itself and (iv) the planning vision that the Saddleback Heights project embodies and shares with the City of Peoria for the North Peoria area.

Mr. Abrahams will also testify as to the adverse impacts that adoption of either Segment 5 of APS' Preferred Route or APS' Alternative Route 3 in its entirety would have upon Saddleback Heights. These impacts include land use, financial and visual impacts.

In addition, Mr. Abrahams will provide testimony in support of the Alternative Route 3 North corridor (and suggested transmission facilities alignment) which Diamond Ventures and North Vistancia are proposing, and which the City of Peoria is supporting; and, he will indicate why Diamond Ventures believes that adoption of that corridor by the Siting Committee would be appropriate in Siting Case No. 138.
