AZ CORP COMMISSION  
DOCKET CONTROL

Dear Commissioner Mayes,

The Sisters of Mercy have a vacation/retreat house at 1490 Silver King Circle in Prescott, Arizona which is in the Groom Creek Water District. We have had this property for many years and have enjoyed the low water prices charged by the water company.

Now it is quite evident from the outages we have had that the water system is in dire need of major repairs. These repairs are expensive but very necessary and delaying them will only increase their costs.

Please approve the increased rate request so that the water system can be properly repaired quickly for as little cost as possible. We understand this will cost us more than you would like, but we need to make these repairs and we are willing to pay what is necessary to cover these costs.

If you have questions about this, please contact me personally at 602.240.3120 (day) or 602.200.0881 (night).

Thank you for your attention to this request.

Sincerely,

*Sr. Nancy Perlick*

- Groom Creek Water Delivery System Upgrade Project

Dear Commissioner Mayes:

As a member of the Groom Creek Water Users Association I am in favor of the project and have no objection to the new base rate of \$50 per month. I understand that this rate is necessary in order to secure the funding to install a new system.

Thank you for your support.
