**COX ARIZONA TELCOM, LLC's
RESPONSES TO
STAFF'S THIRTIETH SET
OF DATA REQUESTS
Docket No.: T-03471A-05-0064
November 19, 2008**

Subject: All information responses should ONLY be provided in searchable PDF, DOC or EXCEL files via email or electronic media.

STF 30.1 Cox's response to STF 29.1 does not comply with Staff's data request for the following reasons:

In its STF 29.1 response, Cox incorrectly represents the file issue that Staff seeks to resolve as "According to Staff DR (STF) 28.1, those electronic files appeared to have an embedded automated date function."

No where in Data Request 28 or 29 does Staff express the file concern as involving an "embedded automated data function". Staff is indifferent to the presence of such a function within the files requested. If such functions are in the files requested by Staff, the functions should remain unchanged in the files in order to maintain the files as unchanged. Staff only seeks the delivery of files that have the appropriate Modified Date or Date Modified fields.

The issue on which Staff seeks resolution is correctly represented in STF 28.1, nonetheless, Staff offers further explanation to help Cox provide a response that complies with Staff's data request.

Attachment A contains information images directly from the CDs provided by Cox with responses to STF 26, 25 and 29. Please note that the Date Modified fields for the files provided with Cox's STF 26 response are from the correct 2003 period that Staff referenced in Data Request 28.

Directly below the information imaged for STF 26 is the information provided by Cox with its responses to STF 25 and 29. Please note that the Date Modified fields state 3/26/08 for SIT' 25 and 10/7/08 for STF 29. As Staff stated in Data Request 28, the correct Date Modified fields should be consistent with the date of the transmittal email of March 11, 2003. Therefore, Staff believes that Cox should provide files that have 3/11/03 in the Date Modified fields

rather than 3/26/08 or 10/7/08 in the Date Modified fields of the files provided by Cox with responses to STF 25 and STF 29.

Staff again requests the correctly dated files previously requested in Data Requests 25, 28 and 29.

RESPONSE:

On November 14, 2008, Cox counsel participated in a telephone conference with Staff and Staff counsel to discuss Cox's responses to Data Request Nos. 25, 28, 29 and Staff's 30th data request. As Cox explained to Staff during that conference call, Cox has attempted in good faith to respond to Staff's requests but was unable to provide all of the information requested by Staff due to technological difficulties. After additional review of electronic documents and discussions with information technology personnel, Cox hereby provides a CD that it believes contains the electronic information requested by Staff. Cox states that it has made good faith efforts to comply with Staff's request notwithstanding the lack of relevancy of the requested information.
