Dear Mr. Bullis:

We are members of the Santan Community Working Group (CWG).

This group has been meeting since November 1999 and has carefully examined SRP's plan to expand its Santan Power Plant to allow for additional generation capacity. During these many months, the group has received information regarding SRP's needs for additional generation as well as the air quality, water, aesthetics and other environmental impacts of the proposed expansion.

It has come to our attention that Ms. Cathy D. Duplissa-Lopez has indicated that she will represent the Santan Community Working Group at the Santan CEC Hearing scheduled for September 14, 2000 before the Siting Committee.

We thought it was important to clarify for the Siting Committee that Ms. Lopez does not represent the opinions of the undersigned members of the group nor those of the Santan Community Working Group as a whole.

Sincerely,

Maggie Cathey
