Reference docket L-0000B-00-0105; The SRP expansion of the San Tan power plant and Val Vista and Warner

Gentlemen,

I am a native Arizonan and have always been involved and concerned with my community. I always do my part by voting and I have voted for each of you in the past.

I am very concerned by this expansion because I live right next door to it in the Cottonwoods Crossing neighborhood. I assure you that this was not disclosed to me when I contracted to build my house. I am worried that my property value will drop dramatically and that the pollution will affect my family.

As my representative on the Corporation Commission I want you to vote against this expansion.

Kevin Turley
