**Re: Application for Certificate of Environmental Compatibility  
SRP Santan Expansion Project – Case No. 105  
Docket No. L-00000B-00-0105**

Dear Ms. Farmer:

In addition to the intervenors, there were a number of people who requested and were granted a “limited appearance” in these proceedings. Several of these individuals have contacted us and indicated that they would appreciate the opportunity to participate in the process before the Corporation Commission.

During the public comment portion of the hearings before the Siting Committee those members of the public who requested limited appearances under the statute were given the opportunity to speak first, before other members of the public who had not followed the statutory process. On behalf of those granted limited appearance, we request that the Commission make the same accommodation and allow those who were granted a limited appearance an opportunity to speak first at the open meeting on April 25<sup>th</sup>.

There were 11 people who were granted limited appearances. We doubt that all of them will take the opportunity to speak, but nonetheless, we make this request for each of them. A list of those granted limited appearance is attached to this letter.

Thank you for your consideration of this request.

Very truly yours,
