**RE: DOCKET NO. RR-0363 9A-08-0054**

Dear Mr. Raber:

We are submitting this letter to inform the Arizona Corporation Commission and the Safety Division of forthcoming comments related to the staff report on the **DOCKET NO. RR-0363 9A-08-0054**, concerning the application of the Union Pacific Railroad Company (UPRR) to alter a crossing at Ruthrauff Road in Pima County.

Due to time restraints associated with the report distribution, comment deadline and initial hearing, Pima Association of Governments has not yet finalized its comments with regard to this crossing and its impacts on our region and member agency, Pima County.

The Ruthrauff railroad crossing is a critical link in the region that needs to be improved to address safety and mobility issues.

Sincerely,

Gary G. Hayes, AICP  
Executive Director
