To Whom it may concern,

I'm writing in response to the possible change of area codes in the Tucson vicinity. Several years ago Tucson went through the change of new codes, and to be perfectly honest, I lost business because of it. I run an international mail order business, and would not be looking forward to going through a possible change again. I hope you consider this when you make a decision in the Tucson Business area. Docket number: T - 00000F-99-0641.

Thank you,
