Re: Gold Canyon Sewer Company's Application for Rehearing Decision No. 70624
(Docket No. SW-02519A-06-0015)

To the Docket:

On December 5, 2008, Gold Canyon Sewer Company filed an application for rehearing the Commission's recent Decision (No. 70624) which, contrary to Judge Nodes' Recommended Opinion and Order and against Staff's recommendations, arbitrarily reduced the Company's rate base and ordered the use of an arbitrary weighted cost of capital.

I reiterate my opinion that this Decision is the most unjust action by this Commission during my term in office. Accordingly, I propose that the Company's application for rehearing be placed on an Open Meeting Agenda for timely consideration by the Commission, in order that the matter not be deemed denied by operation of law.

Sincerely,

Mike Gleason
Commissioner
