Subject: Re: Rate Hike

Dear Sirs, We are ritired and on limited income, But the CEO;s of Arizona Publiv Service get larger income then any of us. How do you determine that they should get a rate hike when there income is higher then any thing. WQe think it is not fair at this time when economics are so bad. Help us my husband is on and q-2 all the time and of course this makes our APS bill so much higher. Do any of them ever not get a raise???? Please consider that they form some other way to increase their profits. Thank You for your consieration in this matter
Linda K.
