RESPONSE
BEFORE THE ARIZONA CORPORATION COMMISSION
DOCKET NO. S-20482A-06-0631 (Dec 22, 2008)

DECISION NO. 70657
DATE: JAN 07, 2009

TO: BRIAN MCNEAL AND COMMISSIONERS
FROM: ALI WOLFE 8861 E. Kalil Dr Scottsdale, AZ 85260 480.718.9181

Dear Brian Mc Neal and Commissioners,

Thank you for taking the time to review this response.

I have received and read over the Dec 22, 2008, DECISION NO. 70657. I also received and read the letter prior to that regarding the recommendation.

I did not realize that I would have had the opportunity to speak at this meeting. I thought this was a closed meeting like the last one that was held when I filed my responses. I thought my opportunity for speaking was over months ago.

I am VERY AFRAID that my lack of experience and ability to afford legal counsel may be coming across as if I am not respecting or working with you. I, in no way shape or form, want to come across that way. I have understood, since the time I spoke with Brian McNeal and others several months ago, that I am responsible to respond. I am doing the very best I can with what I know to cooperate with you.

I and my children are truly victims in this situation. I have not and am not receiving any help, financial or otherwise, from Gregg Wolfe. We were separated 2 yrs ago and I have since been remarried. During the time of the raid, Gregg and I were in the beginning of a separation. I was extremely distraught and was being verbally and emotionally abused by him for years. He left me completely destitute with our three children not long after that raid. I have held it together for me and my daughters and am still working through these issues with my support group.

I swear on my life I did not know Gregg was doing anything illegal. I had no access to bank accounts and no ability to see where any of these funds were coming from or where they were going.

I can prove to you the loans I took from Wells Fargo to provide for my girls and me. I can show you my checks from the parents of the children I am watching in my home. I am not hiding any funds. I did not take any funds. I am still completely supporting my children without the help of Gregg.

I am not trying to evade my responsibility in marital community property; I am just asking you reconsider your judgment of me in this issue. I am very sorry if my inexperience is causing trouble for you.

Sincerely, Ali Wolfe
