INSERT new finding of fact:

“While this Commission strongly supports time-based rates as in the public interest, the fact that Garkane’s and Dixie-Escalante’s rates are not time-differentiated at the wholesale level and the fact that Cooperatives are not required to implement time-based rates in Utah where the majority of Garkane’s and Dixie-Escalante’s customers reside, persuades us that Garkane and Dixie-Escalante should receive a five-year temporary waiver to file time-based rates. We will also provide Garkane and Dixie-Escalante more time than recommended by Staff to supply the information requested by Staff”
