To Whom It May Concern:

This letter is regarding rate increase for Beaver Dam Water in Northwest Arizona. I am against any increase. Presently many citizens are affected by the slow economy and are not in a position to afford an increase. Also in our community are senior citizens and retired people who are on fixed incomes and would not be able to afford a rate increase. Personally, both my husband and I must work to pay our bills. An increase would be a hardship on us. I feel the rate increase request is not needed and would not be in the best interest for the consumer. Funding for Beaver Dam Water should come from the developer or grants.

Please vote against this rate increase for Beaver Dam Water.

Thank you,
Mervin and Nadine Peterson
