Re: Docket No. T-20398A-06-0346 -- Request for extension of time

Dear Sir or Madam:

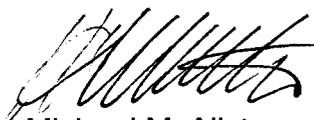

Navigator Telecommunications, LLC. ("Navigator") was granted a Certificate of Convenience and Necessity for authority to provide resold local exchange, facilities based local exchange and access telecommunications services in Arizona by the Commission in Docket No. T-20398A-06-0346, Decision No. 69884. To date, Navigator has not yet begun offering local exchange and access services in Arizona.

Navigator has since sought to cancel that portion of its CCN to provide facilities-based local services and to reduce the bond requirement, which matters are currently pending in Docket No. T-20398A-08-0463. Initially included in the filing in that Docket was a request for an extension of time to comply with the requirements to post a bond and begin providing services pursuant to Decision No. 69884 in Docket No. T-20398A-06-0346.

Upon advice by Commission Staff, Navigator, by a separate filing, is withdrawing the request for extension of time previously filed in Docket No. T-20398A-08-0463, and is instead filing a similar request for extension of time in this Docket No. T-20398A-06-0346. The request is for an extension of time necessary for the Commission to consider the issues in Docket No. T-20398A-08-0463, and subsequently allow Navigator to timely comply with the applicable requirements for the procurement of the bond and the initiation of services in Arizona.

An original and thirteen (13) copies of this request are enclosed. Please contact me directly should you require any additional information or have any questions or concerns. Thank you for your consideration of this matter.

Respectfully submitted,
