Re: Response to Procedural Order - Docket No. W-0138A-08-0048

Dells Water Company, Inc. does wish to proceed with its application for Commission approval which will enable the Company to secure long-term financing from the Water Infrastructure Financing Authority of Arizona (WIFA) for additional storage capacity.

Though the Company believes a surcharge should be included to repay the WIFA loan, the Company understands that a separate rate case will need to be filed to fund that surcharge.

Please notify us if there any further questions.

Cordially,

Jim West
