4. SERVICE AND RATE DESCRIPTION (continued)13 Sprint Real Solutions VPN Services@

(C)

Sprint Real Solutions VPN Services are flat rated services with a single rate for each jurisdiction and service, for a given term and hierarchy minimum annual commitment level ("MAC"). Rates are also differentiated by how the call is placed on the Sprint intelligent network via on-on, on-off, off-on, and off-off call types. The services available under Sprint Real Solutions VPN include outbound voice, toll-free, FONCARD and switched data services. Sprint Real Solutions VPN customers cannot subscribe to Sprint Clarity, The Most for Business, Business Sense, Sprint Real Solutions Option A, Sprint Real Solutions Annual, Business Flex or Sprint Premiere services. Customer will award Sprint not less than 100% of its and its Affiliates' long distance communications service. "Affiliates" means those locations for which Customer either purchases, controls or directs the purchases of long distance telecommunications service on the Agreement's effective date. The calculation above does not include: (i) any binding commitments that Customer or its Affiliates have with another long distance carrier on the Agreement's effective date; or (ii) service that is routed to another carrier, but only during the period of any Sprint Service outage.

The customer must commit to one of the following minimum annual commitment (MAC) levels in order to subscribe to Sprint Real Solutions VPN Services. Sprint Real Solutions VPN Services are available on a two-year or three-year term basis. Contributory usage charges (calculated prior to the application of discounts) are aggregated across toll free, switched data services (inbound and outbound), outbound, FONCARD (including surcharges) and Operator Services, including all calling options, all locations, and all jurisdictions intrastate, interstate, and international) in order to meet the MAC level. All monthly recurring charges also contribute to the MAC level. Directory Assistance and any other access charges (including, but not limited to, Carrier Universal Service Charges and Presubscribed Line Charges) not specified above are not contributory to meeting the MAC level.

A customer may cancel (or terminate) a term plan agreement without liability as long as the customer signs up for a new term plan agreement which is the same or greater in length and the customer commits to an equal or greater MAC level.

@ Effective March 14, 2009, Sprint Real Solutions VPN Services will no longer be available to new customers.

The termination liability will be billed in one lump sum. Customers will not incur this termination liability for their former term plan commitment if they request a new MAC equal to or greater than the previous level and agree to sign a new term plan agreement for a period equal to or greater than the term of their current plan. They will, however, be assessed the termination liability if they terminate all Sprint Real Solutions VPN service prior to fulfilling their new term commitments.
