AZ CORP COMMISSION  
DOCKET CONTROL

Dear Commissioner Mayes,

It has come to my attention that the Arizona Corporation Commission is considering visiting certain locations to have discussions with the public regarding the upcoming rate case hearings with Arizona American Water.

If there is a possibility the Commission would visit Tubac, the Santa Cruz Valley Citizens Council (SCVCC) would be pleased to host the meeting at the Tubac Community Center and notify members of our community. The proposed rate increase and separate issue involving the cost of arsenic removal is of utmost concern for rate payers of Arizona American Water. We have a small base of 532 customers whose potential rate increase could be as much as 196%. We would certainly welcome the opportunity for public participation with your Commission.

Thank you,

Rich Bohman  
President, SCVCC
