Re: Docket # W-01303A-08-⁰²²⁷~~2007~~/SW-01303A-08-~~2007~~

To the Commissioners:

This will express my concern that the recent rate increases in the cost of water seem to be oblivious of the "recession" which most people are experiencing.

This appears to be nothing more than the deliberate gouging by the Arizona American Water Company which because of having a monopoly without adequate control by the Board of Supervisors know that they charge whatever pleases them.

It is your responsibility to control such outrageous behavior that penalizes the citizens whom you represent.

Your attention and assistance in this matter are quite necessary.

Yours sincerely,
