If you can not read what I wrote;
I am on a very fixed income . I am alone and I already pay an excessive amount for my usage. To give this company, with a proven bad record, would be like giving a bad child a raise in allowance. The raise is not warranted nor needed.

Docket you wish to comment on: WS-02987A-08-0180

Docket Number: WS-02987A-08-0180

Case or Utility Name: Johnson Utilities 20% rate increase request

Position on Docket: Con

I am on a fixed income and I simply cannot afford to pay anymore than I already am for sewer service. Another 20% on top of everything I pay now would be a hardship. The present cost of \$41.08 per month is already very high, considering some communities pay that for water and sewer combined. I might as well apply for welfare now!

It is also very unreasonable for J.U. to ask for a rate increase during these very difficult economic times.

Thank you,
Shelley Curran
