Subject: QUEENCREEK POWER LINES  
To whom it may concern,

I am writing to protest the dangerous and ugly power lines proposed along the Rittenhouse corridor in Queen Creek. We live in Queenland manor, a subdivision adjacent to the Union Pacific tracks. Please do not allow S.R.P. to do this expediant manuever that will hurt many many people and actually affect the entire town of Queen Creek. This is the main entrance to our town, and will be an eyesore and a health hazard for

long years to come. Please do the right thing, the thing we voted you in office to do, reject this highly populated route in favor of a route farther north of town.

Thank you for your consideration,

John and Eva Upshur
