RE: Docket # W-02273A-08-0251

To whom it may concern,

The Company is requesting that a Staff Report be generated and no Testimony required as this is this company's first time as a Category C company. It has been 13 years since a rate increase and revenue is stretched to the limit and therefore seeking ways to keep costs to a minimum. Hiring a lawyer to do the Testimony would be an extra burden on this company and there are only two employees at the company so having one do a Testimony would be a burden to the office.

This company serves under 1500 people in this unincorporated town. Please review the written narrative description on page 3 and 4 of the original Rate Application that explains our needs of a timely resolution to this application.

Sincerely,

Christina Balvanz
