AZ CORP COMMISSION
DOCKET CONTROL

I, Kyle Schmierer, formally Answer the false and unjust complaint against me in DOCKET NO. S-20651A-09-0029 by the Arizona Corporation Commission.

My official answer to each of the items (6.-22.) presented in "III. FACTS" found in DOCKET NO. S-20651A-09-0029 is as follows: To the best of my recollection, understanding and ability I believe I have done nothing illegal or immoral. Furthermore, the order to cease and desist is a violation of my First Amendment Rights to freedom of speech guaranteed in the Constitution of The United States of America.

I am an honest artist, filmmaker and entrepreneur with an honest, legal, and excellent business project. The harassment and unjust persecution of an honest entrepreneur is an awful affront to everything America is supposed to stand for. To the best of my recollection, understanding and ability I believe I have done nothing illegal or immoral. Furthermore, the order to cease and desist is a violation of my First Amendment Rights to freedom of speech guaranteed in the Constitution of The United States of America.

The Corporation Commission would better serve its mission and the tax payers/voters by investigating the many real criminals and scam artist including the many involved in mortgage fraud and other scams on citizens which has triggered an historic global economic crisis.

The Corporation Commission should be helping small business people like me who are the foundation of our economic growth and the very idea of America instead of ruining the dreams and hard, honest work of real entrepreneurs like me.

As it stands now the overly complex and confusing array of Federal and state laws seem designed to intentionally prevent lower and middle class Americans from getting equal access to capital and investors. Thus the marketplace is not at all free or fair. The best ideas and best people must have access to investors not only the rich and well connected. This is un-American and an outrage. Even when an honest entrepreneur like me makes great effort to comply with the dizzying array of rules, I find my self having to waste a great deal of time and money to defend myself from the very government that should be helping or at least getting out of the way instead of destroying my life and dreams. I am not asking for a hand out. I merely ask for a level and fair playing field so our market based system has a chance to work.

Sincerely, Kyle Schmierer
